*Terms and conditions apply

Now in their 8th year, Putt in the Park has established itself in parks across London, and they've picked Gunnersbury as their next venue!

Putt in the Park has become hugely popular with their combination of great food, great service and of course a passion for mini golf.

Whether you want to get the family out at the weekend and enjoy some wonderful coffee, delicious cakes and a hearty lunch, or to head down with friends after work and make the most of the fully licensed clubhouses, it's the perfect choice all year round.

Plus all payable income will go back into helping your local park and museum at Gunnersbury survive and thrive.

How they would give back

- » Free use of putting greens to local schools.
- » The newly designed and fully accessible pavilion café will be available for community use free of charge from 9 - 11am, open all year around.
- » Reduced rates for pensioners.
- » Free use of the pavilion for baby and toddler groups.

Love this place, perfect place to spend a sunny family afternoon.

Alex (Battersea)

Lovely, well made and well kept 12 hole mini golf course. Went on a sunny day and it was perfect. Can take your drinks from the bar around with you.
